Membership Levels Explained:

Basic Membership:

\$150 per year (student enrolled in K-12 or University \$35)

Basic membership entitles a person and their family to participate in club sailing days or other scheduled activities. Members acting as skippers on boats they are approved to sail may bring guests of their choosing on the water but are responsible for the boat and their guest. Family members must be listed on the membership to receive benefits, such that each family member may simultaneously checkout and sail a boat on club sail days with guests of their choosing. Discounted student rates do not include family members.

Anytime Beach Boats Membership:

\$250/year

This level entitles members to sail any small boats that are beach launch-able that they have been checked out on, including all club dinghies (i.e. Sunfish, Lasers, Hobie Ones, FJ, Holder 14) and catamarans on the beach.

If a member wishes to sail club boats on days other than club sail days they may choose the anytime membership for an additional fee of \$100 per year, total annual fee of \$250. Since there is no assistance provided in rigging/launching/recovering boats on non-club days; members must be checked out on individual boat types before they are given access to the boats on non-club days. It is therefore recommended that members get checked out on the boats they wish to sail before paying the additional fees.

Anytime Any Boat Membership:

\$500/year

This membership level includes the anytime sailing for small boats and allows a member to sail big boats (Dancer, Cheers) on which they are qualified and checked out on.
