GARAGE SALE

We enjoyed another successful yard sale fundraiser last month. Many thanks to all of you who so kindly donated items for sale. A whopping \$951.77 was taken in, with proceeds earmarked for upkeep of the fleet of Sunfish. A special thanks to all of you who came and helped out at the sale. We so appreciated your assistance and thoroughly enjoyed your company.

Sunday Workday

Toting saw horses, power sanders, extension cords and an assortment of hand tools, nearly 20 club members showed up at the Waiakea Settlement YMCA Sunday afternoon to tackle the job of refinishing the Sunfish sailboats that have been so thoroughly put to use this past year for both our sailing season and week long sailing classes.

All hardware was removed and much sanding accomplished, with even the kids laboring enthusiastically. Meanwhile, Jon Olson and John Luchau worked on the safety boat's outboard motor.

It was a beautiful day to be outdoors and working together -- a pleasant way to get the job done. Another workday is scheduled for this Sunday the 11th at the YMCA from noon to 4 p.m.

Please consider coming out to help. The more you put into this club the more you'll get out of it.

Say what?

Did I really say that? Last month's newsletter asked, "What's up with Pat and Larry Bolin?"

Oh my, these senior moments. Of course I know it's Barry, not Larry and Bolin, not Bolin. I do, I really do. My sincere apologies, guys.

Member News

Club member Peter Altendorf and his sister Karin are both ailing. Peter has a painful pinched nerve in his back and Karin recently had a leg amputated due to

poor blood circulation. Give them a cheer-up call at 982-7905, or e-mail them at acaptpeter@aol.com. We're thinking about you, folks.

A whole buncha boat stuff!!

Apparently, there's a whole bunch of boat stuff, including gear, spare parts, etc., for sale by various club members. Come to the meeting this Monday night to find out more details about what's available and who to ask about it.

A full listing will probably appear in next month's quarterly newsletter.
