The West Wight Potter 19 donated to our club by Dr. Scanzola had sea trials on Saturday March 20th with Ron, Roberta, Dominic and John L. aboard. The boat sails beautifully. There were only a couple of rigging adjustments to be made and a sail repair. The above named crew had put in many hours of cleaning, oiling and wood repair to get her ready for her first sail as our club boat. On Sunday, March 28th during the handicap race the West Wight took first place on corrected time. Skipper-Ron Reilly, Crew-John Luchau. For more information about how you too can sail the West Wight Potter call John Luchau at 982-5959. If you want to help maintain her please call Ron Reilly at 967-8603. Photos next page.

The West Wight Potter needs a name. Do you have a suggestion? If you have, please submit your entry to John L. at SkiprJohn@aol.com or 982-5959 by April 30th. The person who submits the name chosen for the boat will get a free day sail aboard the boat for them and their family or guest.
